

The Demo Environment Programme

Category: Capacity Building

Sub-Category: Technical Assistance

User: Project Developers

Donor: Swedish Agency for Economic and Regional Growth

Donor Countries: Sweden

Description:

The Demo Environment Programme funds international technology transfers involving those wishing to transfer their technology to a new market or organizations looking to import technology that's new to their country.

Locations: Kenya, Mozambique, Tanzania, Zambia

On- or Off-Grid: Both

Geography:

The program will be implemented in 11 of SIDA's cooperation countries, of which the following are in Africa: Kenya, Mozambique, Tanzania, and Zambia.

Eligibility:

Open to purchasers of environmental engineering in any of the partner countries and contractors/organizations with new environmental technology interested in partnerships in one of the partner countries. Swedish companies that want to apply must have an established partnership with a company/organization in the selected country. The technology must help solve an environmental problem, being new to the country and adapted to local conditions/appropriate.
